Letter from the President

Greetings from Christ from India! Thank you for all your prayers and your continued support to my family and to Christ for India. Please join us in our prayer for this year for a great harvest.

I want to give you a praise report on the Media center that we have been working on. The construction remodel is in process right now. Please be in prayer over the media center as we use the technology to spread the Gospel in India. We are grateful to God for our partners who have helped fund the Media Outreach Center.

I want to give a special thanks to all our friends who hosted me and Mrs. Mary Titus in our travels in the USA, Europe and the UK. We are very grateful for the hospitality and love shown to us during our visit. There are many that I would like to acknowledge, but due to lack of space I am not able to list everyone individually. We are grateful to each one of you who have shown your love and care through opening your homes to Mom and me.

We just celebrated my brother Johnson's 50th birthday on March the 7th; we had a celebration in our home and are grateful to God for using Johnson and family in ministry. In February, Mrs. Mary Titus passed the baton to Johnson as she is giving more responsibilities to Johnson and Helen. Apostle K. C. Mathew with others prayed over Johnson and Helen and dedicated them for their new role and position in ministry.

We held our annual pastors' conference where they were encouraged and refreshed before going back into the field. During the conference we had many new believers who were baptized. In addition, many new workers were commissioned as pastors and evangelists, and it was a time of celebration and fellowship in encouraging one another.

On February 26th we were able to celebrate the graduation of the Church on the Rock Theological Seminary. A total of 54 graduates earned their Master of Theology, Master of Divinity and Bachelors of Theology degrees. This number includes the

graduates of the Women's Vocational School who are trained in computer and sewing as well as the Telugu Medium Bible College. These young men and women will be working in the ministry all over India, sharing the gospel with the unreached. These graduates are the fruits of your prayers and financial support. We pray that they will be fruitful and multiply and reach the lost of India.

I am grateful to God for all of our prayer and financial partners all around the world that make this ministry possible. As the world economy is changing, I know that our God is faithful and will continue to provide for His works. I am grateful to each one of you who currently support financially. If you are not currently supporting would you prayerfully consider Christ for India in your financial giving? As the ministry is growing our needs in India are also increasing. We need more prayer and financial supporters to join this fruitful ministry. We have been praying for 500 new partners around the world to help us financially. Would you be one of the new partners? Come be a part of the "INDIA 500" and fulfill Christ's Great Commission in India. I pray that God will continue to bless your family, your health, your business and ministry.

Training thousands to reach the millions,

Jameson Titus

TESTIMONIES

Humble Beginnings From Under the Mango Tree

I am happy to write this letter to you. I am fine. My father has passed away and my mother works as a teacher. I want to become a teacher. Every day, evening prayer is conducted and I am glad to hear about the living God and walk in the path of God.

- *Glory, Student*

I am very grateful to you for your prayers and financial support for the last 3 years. This year I am graduating from this seminary and stepping into God's ministry. Kindly pray for my future ministry so that I may be used as an instrument in God's hand. I too pray for you and your family.

- *Yohanu, Seminary Student*

Greetings to you in the Holy Name of our Lord and Savior Jesus Christ! The Lord has been good to us in the past year. He has led us throughout the year with blessings and success in the ministry. Our God is a faithful and merciful God. He answers our prayers and He is the provider. We have been praying for

a church building in our place for the last couple of years. We believe that God will provide for us in His appointed time. We wait and pray until we get it. Please remember this need in your prayers.

We are planning to reach 15 new villages this summer. All are Hindu villages. Please pray that the Lord opens a way to reach our goal. There is persecution from Anti-Christian Fundamental groups in this area. We are taking some risk to proclaim the Good News of Jesus Christ: conducting open-air meetings, visiting houses, praying for sick and distributing Gospel literature. These all are being done because of the grace of God and your prayers. Please continue to pray for our safety. Thank you all for your prayers and financial support, which are blessings from God. You all are in our prayers.

- *Pastor Paul*

You can be part of the "India 500" by praying and financially supporting this ministry. As we read in Acts 20:23-25 - However, I consider my life worth nothing to me, if only I may finish the race and complete the task the Lord Jesus has given me – the task of testifying to the gospel of God's grace.

I need your help in finishing the race and completing the task of Christ's Great Commission for India.

Would you join us by becoming a new financial partner? You can help mobilize and continue to fulfill Christ's Great Commission!

Mortimer Update

Is the world going crazy? Or is it the manifestation of end time's prophecy unfolding at a breakneck pace?

"You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places. All these are the beginning of birth pains." Matt 24:6-8 (NIV)

All of the protests, violence, and upheaval in the Middle East... earthquake and tsunami in Japan with its consequent thousands dead and homeless... not to mention the nuclear threat still looming are all ominous signs of a larger impending judgment. Of course we, as Christians, shall respond with compassionate humanitarian aid. But much more importantly we must respond with prayer and evangelism. Souls are in the balance. Hundreds. Thousands. Millions.

India has felt the repercussions of these disasters. The Muslim population has been energized by the uprisings in Egypt, Tunisia, Libya, and elsewhere, making it all the more dangerous for Christians. But also it is a time of great opportunity. The aroma of freedom is enticing. If the protesters are hungering for true freedom, we must be ready to offer the freedom found in Jesus Christ. For we know and rejoice in the truth that "Then you will know the truth, and the truth will set you free" and "if the Son sets you free, you will be free indeed." John 8:32, 36 (NIV)

And this is exactly what we do every day through our schools, hospital, and witnessing ministries. We are in a race for souls, a sort of "India 500" race. We are asking for 500 committed partners to give a regular monthly amount to see that this race is won. Such regular giving will provide the tools for our ongoing training, witnessing, and church planting ministries.

We thank you in advance for your faithful response, and truly appreciate every gift. As these end times continue to provide the opportunity, take joy in partnering with us in bringing as many into the Kingdom as possible... before it is too late!

Projects: Women of Worth

Left: Rev. Doug Burness presenting certificate to a Women of Worth graduate. Right: Woman of worth with her sewing machine

***In that day,** seven women will take hold of one man and say, "We will eat our own food and provide our own clothes . . . Take away our disgrace." Isaiah 4:1*

COTR's Women's College is reaching out to abandoned and underprivileged widows in Andhra Pradesh with a new program called Women of Worth. The program, launched in February 2011, targets women looking for a hand up not a handout.

Women of Worth will empower marginalized women for the first time in their lives to have control over their financial futures. Widows who complete the program will learn marketable skills and become positive contributors to their community's economy. Doing so will break the tradition that cast them aside and demonstrate to society that they are still women of worth.

Participants will be housed on COTR'S campus to pursue career paths such as data entry, call center, point of sales, and seamstress. The course curriculum has been tailored to meet the specific needs of women who have been shunned by their families and forced to live in abject poverty.

Several women interviewed expressed interest in starting their own businesses after graduation. This is heartening as it clearly demonstrates the strength and resilience of the Indian woman. Our challenge at Christ for India will be to find the financial means of helping these entrepreneurs realize their dreams.

Initial funding for the program was provided by friends and members of Full Gospel Church in Bedford, Nova Scotia, Canada.

- Rev. Doug Burness

Projects: *Media Center*

We are excited for the upcoming Media Outreach Center which is in the process being completed. We are grateful to the many partners who have given financially to make this Media Center a reality. The center will include a TV studio, audio recording studio, a media computer lab and several editing rooms. Thank you to all who have prayed for and supported this vital ministry. Please continue to pray with us as we now need to complete the building and acquire all the equipment needed. Also pray for volunteers to come and serve in the installation and training on campus.

FARM REPORT

Our farm is helping subsidize the food purchase for the feeding of all the children, students and staff on campus. The food cost in India has doubled in the last 24 months. By faith we are feeding almost 3,000 each day. Would you consider financially helping to provide food for the children?

TRANSPORTATION NEEDS ON CAMPUS

To provide for our medical ministry and outreaches, we need to replace our ambulance. We also need 4-wheel-drive

vehicles to get to the outlying villages. This is critical for the evangelism ministry and needs of the campus. The total current cost for this transportation project is \$40,000. To date we have commitments of \$11,000 toward this project. Only \$29,000 more needed to purchase the vehicles.

Mission Statement

Christ for India, Inc. exists to fulfill Christ's great commission to India by training nationals as pastors and evangelists, establishing native churches, providing humanitarian aid, and educating India's future leadership.

Statement of Faith

We believe: The sixty-six canonical books of the Old and the New Testament to be inspired and the infallible and authoritative Word of God. There is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Spirit. In the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in the rapture of the Church at Christ's coming, and His glorious thousand-year rule on earth. The only means of being cleansed from sin is through repentance and faith in the precious blood of Jesus Christ. Regeneration by the Holy Spirit is absolutely essential for personal salvation. In the identification of the believer with Christ's death and resurrection by immersion baptism. The redemptive work of Christ on the cross provides healing to the human body in answer to believing prayer. The baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it. In the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a Holy life. The Church is the fellowship of all who have become children of God through faith in Christ and have been knit together by the Holy Spirit into one body of which the Lord Jesus is the head. The Church is given the mandate by the Risen Lord Jesus and is under obligation to demonstrate and proclaim the wholeness of the Gospel and its implications to every people.
